Re: Calgon Carbon v. WDF, Inc., et al  
USDC/Southern District of New York  
Case No. 08 CIV 4407  
My File No. 6173.1

Dear Justice McMahon:

Please be advised that the undersigned represents the defendants in the above captioned action and I write this letter to request an extension of time, until August 25, 2008, to respond to the Plaintiff's motion to dismiss, which was originally served upon my office on July 31, 2008. This is the first request for an extension in connection with this motion and plaintiff's counsel has generously consented to this request (provided that no further extensions will be granted). This extension, if granted, will not have any affect on any other scheduling dates. This extension is requested based upon the unavailability of the undersigned to timely respond to the Plaintiff's motion arising out of long planned vacation days over the next two weeks.

I thank you for your attention to the foregoing and if you have any questions, please contact the undersigned immediately.

Very truly yours,

WJT/EJG
